

DEPARTMENT OF ENVIRONMENTAL QUALITY
AIR QUALITY DIVISION
ACTIVITY REPORT: Scheduled Inspection

N781939287

FACILITY: TRENDWELL ENERGY CORP- Avery 16 Booster		SRN / ID: N7819
LOCATION: AVERY16 NW SE SE SEC 16 T30N R7E, AVERY TWP		DISTRICT: Gaylord
CITY: AVERY TWP		COUNTY: MONTMORENCY
CONTACT:		ACTIVITY DATE: 03/30/2017
STAFF: Bill Rogers	COMPLIANCE STATUS: Compliance	SOURCE CLASS: MINOR
SUBJECT: Minor source inspection		
RESOLVED COMPLAINTS:		

On March 30, 2017, I went to the site of the Avery 16 booster. It was still in our database as operating, but the permit had been voided.

There is no equipment at the site. Therefore voiding the permit was correct. I have changed facility status to permanently closed.
