The purpose of this inspection was to determine Gene Brow and Sons compliance with the requirements of the federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended; the Air Pollution Control Rules; and the conditions of Permit to Install (PTI) No. 369-07.

On August 13, 2020, the AQD sent the Company a Violation Notice (VN) citing violations of Permit to Install No. 369-07, SC 1.6, 1.7, 1.8, and 1.9. These violations were discovered at the inspection, and the AQD requested the Company's written response by September 2, 2020. A copy of this VN has been enclosed for your reference. As of the date of this letter, the AQD has not received the Company's written response to the cited violations.

Please be advised that failure to respond in writing and identifying actions the Company will take or has taken to resolve the cited violation may result in an escalated enforcement action by the AQD. Please provide the information requested in the VN dated August 13, 2020, by **September 25, 2020**, which corresponds to 14 days from the date of this letter.

The Company's written response must be submitted to Mr. Michael Conklin, EGLE, AQD, Marquette District Office, at 1504 West Washington Street, Marquette, Michigan 49855 and submit a copy to Ms. Jenine Camilleri, Enforcement Unit Supervisor at EGLE, AQD, P.O. Box 30260, Lansing, Michigan, 48909-7760.

Be further advised that issuance of this Violation Notice does not preclude or limit EGLE's ability to initiate any other enforcement action under state or federal law as appropriate.
