DEAR, EGLE AQD

ON 7-29-20 WE HAD A SITE INSPECTION FOR OUR DUST PERMIT AND WERE UNAWARE OF THE VIOLATIONS. MY LATE BROTHER AND FATHER WERE THE ONE WHO TOOK CARE OF THIS INFORMATION. SINCE THERE PASSING IN 2015/2016 WE THOUGHT THAT THE MAERS REPORT WAS ALL THAT WAS NEEDED. AS A VERY SMALL BUSINESS MY BROTHER KEVIN AND I WILL TAKE THE STEPS NEEDED TO GET VE TESTING ON ALL ELIGIBLE EQUIPMENT. WE WILL BEGIN KEEPING THE RECORDS OF MATERIAL PRODUCTION ON SITE. WE HAVE TO TOTAL AMOUNTS OF MATERIALS PRODUCED AT OUR OFFICE AS WE NEED TO TURN THEM IN TO MAERS. ALL EQUIPMENT THAT HAS NOT BEEN NUMBERED WILL BE. NOTIFICATION OF NEW EQUIPMENT FORMS WILL BE FILLED OUT. RELOCATION FORMS WILL BE SENT IN. WE WILL WORK ON ALL OF THE MISSING INFORMATION AS MUCH AS POSSIBLE BUT IT WILL TAKE US SOME TIME AS IT IS OUR BUSY TIME OF YEAR. WE HOPE TO HAVE ALL OR MOST OF THESE ITEMS COMPLETED BY THE END OF THE YEAR. IF THERE IS ANY OTHER INFORMATION OR QUESTIONS PLEASE EMAIL US AT [havelkaconst@hotmail.com](mailto:havelkaconst@hotmail.com)

SINCERELY,

JEREMY HAVELKA
