Dear Dr. Brandt:

This letter is in reference to your Permit to Install (PTI) application for an animal crematory (State Registration Number P0192) located at 315 Bell Road, Niles, Michigan. This application, identified as PTI No. 10-16, has been evaluated and approved by the Air Quality Division, pursuant to the delegation of authority from the Michigan Department of Environmental Quality (DEQ).

This approval is based upon and subject to compliance with all administrative rules promulgated pursuant to Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451), and conditions stipulated in the enclosed supplement. Please review these conditions thoroughly so that you may take the actions necessary to ensure compliance with all of these conditions.

You should be aware that failure to obtain a permit prior to commencing construction is a violation of Section 5505 of Act 451, and rules promulgated thereunder.

To help us improve the service we provide our customers, we encourage you to complete a *Permit to Install Customer Service Survey* on the following Web page:
