Dear Mr. Adler:

VIOLATION NOTICE

On July 18, 2016, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), requested records for the Rumble / Sharp crude oil production facility from Tuscola Energy, Inc. The purpose of this request was to determine Tuscola Energy, Inc.'s compliance with the requirements of the conditions of Permit to Install (PTI) number 65-11. DEQ staff also stopped by the Rumble / Sharp facility on August 18, 2016.

After reviewing records, staff observed the following:

Violation Description	Rule/Permit Condition Violated	Comments
Records conflict	PTI 65-11 SC VI 2	January H2S calculations did not include results from oil shown as gauged and well operated – 1 day
Records conflict	PTI 65-11 SC VI 1	January 23-25 oil gauging showed large increase but H2S calculations and operating times were absent
Records conflict	PTI 65-11 SC VI 1	February H2S calculations and oil gauge showed production but operating times were absent – 4 days
Records conflict	PTI 65-11 SC VI 1	February H2S calculations and operating times indicate production but oil gauge results were absent – 3 days
Records conflict	PTI 65-11 SC VI 1	March H2S calculations and oil gauge showed production but operating times were absent – 2 days
Lack of Gas to Oil Ratio (GOR) documentation and incorrect calculations	PTI 65-11 SC VI 1 and 2	Lack of GOR documentation – GOR was not even present for June, and calculations were incorrect since GOR was not used

Violation Description	Rule/Permit Condition Violated	Comments
Well ID	R 324.1012 (OOGM Rule 1012)	Sign was found on the ground August 18, 2016

It should be noted the company records were incomplete at the time of the request though as stated in permit conditions, they are supposed to be completed by the 15th day of the calendar month, for the previous month. The company subsequently provided records on July 25, 2016.

Please initiate actions necessary to correct the cited violations and submit a written response to this Violation Notice by September 5, 2016 (which coincides with 21 calendar days from the date of this letter). The written response should include: the dates the violations occurred; an explanation of the causes and duration of the violations; whether the violations are ongoing; a summary of the actions that have been taken and are proposed to be taken to correct the violations and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

If Tuscola Energy, Inc. believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

It should be noted the facility is subject to the conditions of a Consent Order (AQD 37-2015, OOGM 2997) which was effective as of December 17, 2015. The violations presented above may result in stipulated penalties for the facility.

Thank you for your attention to resolving the violations cited above and for the cooperation that was extended to me. If you have any questions regarding the violations or the actions necessary to bring this facility into compliance, please contact me at the number listed below.

Sincerely,

Ben Witkopp
