ENFORCEMENT NOTICE

In the matter of:

Mr. Jonas McCluskey, Chief Operating Officer
Elm Plating Company
1319 South Elm Street
Jackson, Michigan 49203

SRN: P0636; Jackson County

ATTENTION Mr. McCluskey:

This letter is to advise you of the commencement of escalated enforcement action against Elm Plating Company for air quality violations that occurred at its facility located at 533 Hupp Street in Jackson, Michigan. This enforcement notice is for operating coating lines without obtaining an appropriate air quality permit and controlling volatile organic compounds emissions as required by Michigan Administrative Code Rule 336.1201 and 336.1702. This letter follows the Violation Notice issued by the Department of Environmental Quality, Air Quality Division (AQD), on August 24, 2015, that outlines the alleged violations.

The AQD is hereby providing the company with an opportunity to meet to discuss options for satisfactorily resolving the mentioned violation, to demonstrate compliance, and to present factual information in writing that should be considered regarding the violation. This proposed resolution would include, among other things, a compliance schedule and an appropriate monetary penalty. Please contact me **no later than Thursday, November 12, 2015**, to schedule a meeting to discuss the resolution of this matter.

Be advised that failure to respond to this Enforcement Notice and adequately resolve or address the cited violation may result in further enforcement proceedings, including, but not limited to, referral of the matter to the Michigan Department of Attorney General for commencement of civil litigation. Be further advised that this Enforcement Notice does not preclude or limit the AQD's ability to initiate any other enforcement action under federal or state law as appropriate.

Sincerely,

Jenine Camilleri
Enforcement Unit, Air Quality Division
