Dear Ms Leffert:

RE: SPN: P679D MACOMB COUNTY

As per phone and meeting with you on October 11, 2022, we have been working on the calculations required by EGLE. We have had a lot of COVID going thru our family so have not been able to meet with you until now to go over what we have done.

Per conversation, we have the format correct, but not the right VOC. You have instructed us how to fix that, so we will be working on that to correct and have the right information - hopefully soon.
Thank you for your patience with us.

If you have further questions, please feel free to contact, Jan Larson or Julie Fletcher at 586-756-1880.

Sincerely,

Terry Fletcher, President
