Dear Mr. Zondervan:

SECOND VIOLATION NOTICE

On March 30, 2017, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of The Shack Hunting Blinds, located at 3415 Roger B. Chaffee, Kentwood, Michigan.

The purpose of the inspection was to determine The Shack Hunting Blinds' compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the Air Pollution Control Rules; and to investigate recent complaints which we received on March 28, 2017 and beyond, regarding odors attributed to the open molding reinforced plastic process equipment operations.

On April 6, 2017, the AQD sent the company a Violation Notice citing a violation discovered as a result of the inspection and requested your written response by April 27, 2017. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identifying actions the company will take or has taken to resolve the cited violation may result in escalated enforcement action by the AQD. Please provide the information requested in our April 6, 2017 letter by June 13, 2017, which corresponds to 7 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions regarding the violation or the action necessary to bring The Shack Hunting Blinds into compliance, please contact me at the number listed below.

Sincerely,

April Lazzaro
