Dear Mr. Lukazcek:

SECOND VIOLATION NOTICE

On July 15, 2020, the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), conducted an inspection of Capital Asphalt located at 3888 South Canal Road, Lansing, Michigan, during which time Capital Asphalt was asked to provide records for Lukazcek Excavating & Drainage, LLC's (Company) crushing operations that were occurring at Capital Asphalt. The purpose of the investigation was to determine the Company's compliance with the requirements of the federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended; and the Air Pollution Control Rules; and Permit to Install 82-17.

On July 31, 2020, the AQD sent the Company a Violation Notice (VN) citing a violation discovered because of the investigation and requested the Company's written response by August 21, 2020. A copy of this VN has been enclosed for your reference. As of the date of this letter, the AQD has not received the Company's written response to the cited violation.

Please be advised that failure to submit the requested report may result in an escalated enforcement action by the AQD. Please provide the information requested in the VN dated July 31, 2020 by September 15, 2020, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit EGLE's ability to initiate any other enforcement action under state or federal law as appropriate.
