SUBJECT: Scheduled announced inspection		
RESOLVED COMPLAINTS:		

Facility Contact: David Benecke, Environmental Manager
 Phone: 419-533-7701
 Email: dbenecke@gerkenpaving.com

I contacted Mr. Benecke concerning the status of this portable plant (i.e. was it currently operating in Michigan). He informed me that this plant was in Lenawee this spring at the beginning of March. It didn't operate long because it broke down and then they moved it back to Napoleon. It has been out of service since then. I have determined that they are in compliance with their permit.
