Marie Reid

I would like to introduce myself; my name is Matt Dziadzio and I am the General Manager of Southern Michigan Servies and Southern Michigan Cremation Services R.O. Inc. and Serenity Cremation Services and I am handling the violation notice dated May 21, 2024.

Our corrective actions we are taking are as follows: we are watching the retorts closer with cameras we installed at the facility so we can be more alert if we do end up smoking as well we ordered a freight scale to weigh the bodies as they come into our care. One of the attachments I am including is the paid invoice for the freight scale.

Also we received the email about the complaints on 5/29/24 - 5/31/24 with a strong burning odor also you will find the attached pictures of the circular temperature charts from those days. I spoke with Tom, our manager out there and he assured me there were no smells coming from the building on those dates.

We take everything serious and are making the proper changes to our facilities. If you have any questions or concerns please feel free to reach out to me directly at mdziadzio@santeiuvaults.com or my cell phone at 734-546-7122

Best Regards

Matt Dziadzio
