Dear Mr. and Mrs. Julio:

SECOND VIOLATION NOTICE

On August 2, 2019, the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), conducted an inspection on Julio Properties, Ripley Waterfront, and Dollar Bay, located in Houghton County, Michigan. The purpose of this inspection was to determine the Company's compliance with the requirements of Title 40 of the Code of Federal Regulations, Part 61, Subpart M (National Emission Standard for Asbestos); the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

On August 15, 2019, the AQD sent the Company a Violation Notice (VN) citing violations discovered because of the inspection and requested a written response by August 31, 2019. A copy of this VN has been enclosed for your reference. As of the date of this letter, the AQD has not received the Company's written response to the cited violation.

Please be advised that failure to respond in writing and identifying actions the Company will take or has taken to resolve the cited violation may result in an escalated enforcement action by the AQD. Please provide the information requested in the VN dated August 2, 2019, by September 25, 2019, which corresponds to 14 days from the date of this letter.
