Dear Jeff Holdwick and Chief Jason Lenott:

VIOLATION NOTICE

On January 11, 2024, the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) conducted a complaint investigation at 900 Schock Road, Harbor Beach, Huron County. The purpose of this inspection was to determine compliance with the requirements of Title 40 of the Code of Federal Regulations (40 CFR), Part 61, Subpart M (National Emission Standard for Asbestos), and Rule 942 of Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

According to my investigation, TJC Holdwick Farms, LLC owns the facility and Harbor Beach Fire Department performed the Intentional Burn (IB). The National Emission Standard for Asbestos (NESHAP) may hold both the *owner and operator* liable for all violations.

During the inspection, EGLE, AQD staff observed the following:

The facility was demoed by IB, and the owner was on-site sorting the demolition debris. TJC Holdwick Farms, LLC and the Harbor Beach Fire Department failed to have a thorough asbestos inspection and failed to submit the Notice of Intent to Renovate/Demolish to the administrator prior to the IB activities.
