Dear Mr. Centilla:

SECOND VIOLATION NOTICE

On September 27, 2016, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Specialty Blasting LLC (the Facility), located at 5501 King Highway, Kalamazoo, Michigan.

The purpose of the inspection was to determine the Facility's compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); and the Air Pollution Control Rules.

On September 30, 2016, the AQD sent the Facility a Violation Notice citing violations discovered as a result of the inspection and requested your written response by October 21, 2016. A copy of that letter is enclosed for your reference. As of this date, the AQD have not received your response.

Please be advised that failure to respond in writing and identifying actions the Facility will take or has taken to resolve the cited violations may result in escalated enforcement action by the AQD. Please provide the information requested in our September 30, 2016, letter by November 16, 2016, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.
