On June 8, 2021, the AQD issued a Violation Notice (VN) to the Company for the alleged violations of the Asbestos NESHAP that occurred at the former Newberry State Hospital located at 13747 County Road 428 in the Village of Newberry and a wilderness property located near the end of West Victory Way in the Village of Newberry. The AQD also cited the Company for violating the terms and conditions of the Consent Order.

Paragraph 12 of the Consent Order, puts forth the following condition:

“On and after the effective date of this Consent Order, the Company shall fully comply with the Asbestos NESHAP, which is incorporated by reference and made an enforceable part of this Consent Order.”

Furthermore, Paragraph 15 of the Consent Order reads, in part:

“On and after the effective date of this Consent Order, if the Company fails to comply with paragraph 12 of this Consent Order, the Company is subject to stipulated fines of up to \$7,500.00 per violation.”

After reviewing the VN and the Company’s response to the violations, the AQD has determined the amount of stipulated fines to be \$26,250.00.
