Dear Dave Winfield:

VIOLATION NOTICE

On September 18, 2024, the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), conducted an inspection of Winfield's Machine Repair, Inc. located at 29761 Groesbeck Hwy, Roseville, Michigan. The purpose of this inspection was to determine Winfield's Machine Repair, Inc. compliance with the requirements of the federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the Air Pollution Control Rules; and to investigate a recent complaint which we received on September 17, 2024, regarding open burning, odor, and fallout attributed to Winfield Machine Repair LLC operations.

During the inspection, staff observed the following:

Process Description	Rule/Permit Condition Violated	Comments
Open burning	Rule 310 of Michigan's Air Quality Control Rules.	Open burning of wood waste materials, including wood pallets, wood logs, and other wooden building materials

On September 18, 2024, AQD staff observed the open burning of wood waste materials, including wood pallets, wood logs, and other wooden building materials at Winfield Machine Repair.

This constitutes a violation of Rule 310 of the administrative rules promulgated under Act 451, which prohibits open burning of refuse, garbage, or any other waste material at any business or commercial operation.

In order to comply with Rule 310, Winfield's Machine Repair, Inc is advised to immediately discontinue any open burning.

EGLE encourages the reuse and the recycling of wastes whenever possible. However, any waste that cannot be reused or recycled must be properly disposed of in accordance with Part 115, Solid Waste Management, Section 11512(1) of Act 451. Additionally, if Winfield's Machine Repair, Inc. decides to incinerate their waste, it must be incinerated in a properly designed incinerator. An approved permit must be obtained from EGLE before commencing installation of any incinerator. An application form is available by request, or at the following website:
<https://www.michigan.gov/egle/about/organization/air-quality/air-permits/new-source-review/guidance>.

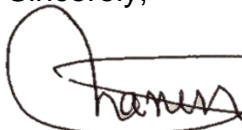

Please initiate actions necessary to correct the cited violation and submit a written response to this Violation Notice by **October 22, 2024** (which coincides with 21 calendar days from the date of this letter). The written response should include: the dates the violation occurred; an explanation of the causes and duration of the violation; whether the violation is ongoing; a summary of the actions that have been taken and are proposed to be taken to correct the violation and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

Please submit the written response to Shamim Ahammod at EGLE, AQD, Warren District, at 27700 Donald Court, Warren, Michigan 48092 or ahammod@michigan.gov and submit a copy to Jenine Camilleri, Enforcement Unit Supervisor at EGLE, AQD, P.O. Box 30260, Lansing, Michigan 48909-7760.

If Winfield's Machine Repair, Inc. believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the violation cited above and for the cooperation that was extended to me during my inspection of Winfield's Machine Repair, Inc. If you have any questions regarding the violation or the actions necessary to bring this facility into compliance, please contact me at the number listed below.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Shamim', enclosed within a large, loopy circular flourish.
