ENFORCEMENT NOTICE

In the matter of:

Mr. Steven Pitsch
Demolition Contractors, Inc.
675 Richmond Street NW
Grand Rapids, Michigan 49504

SRN: U562106365; Midland County

ATTENTION: Mr. Pitsch:

This letter is to advise you of the commencement of an escalated enforcement action against Demolition Contractors, Inc. (Company) for alleged violations that occurred at 1500 Wackerly Street, Midland, Michigan. This letter follows the December 22, 2021, and February 4, 2022, Violation Notices (VNs) issued by the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) which details violations of the National Emission Standards for Hazardous Air Pollutants for asbestos (Asbestos NESHAP), Title 40 of the Code of Federal Regulations, Part 61, Subpart M; and Rule 942 of the Michigan Air Pollution Control Rules, Mich Admin Code, R 336.1942. The VNs were issued to Pitsch Companies, an assumed name for Demolition Contractors, Inc. These regulations hold all owners and operators, such as contractors and/or subcontractors, fully liable for compliance with the Asbestos NESHAP.

The AQD is providing the Company with an opportunity to formally resolve these violations through the entry of a legally enforceable agreement that will include a compliance program and payment of an appropriate monetary penalty pursuant to Section 5528 of Part 55 of NREPA, MCL 324.5528.

Be advised that failure to respond to this Enforcement Notice in a timely manner and adequately resolve or address the cited violations may result in further enforcement proceedings, including but not limited to, referral of the matter to the Michigan Department of Attorney General (DAG) for commencement of civil litigation. This Enforcement Notice does not preclude or limit EGLE's ability to initiate any other enforcement action under federal or state law as appropriate.
