Dear Mr. Brown and Mr. Wright:

VIOLATION NOTICE

On November 3, 2015, the Department of Environmental Quality (DEQ), Air Quality Division, conducted an investigation of several residential properties located in the City of Detroit. The properties are 6350 Farnsworth, 5778 Bewick, 4835 Newport, 12280 Promenade, 19160 Verona, 1772 Holcomb and 5178 Harding, Detroit. The purpose of this investigation was to determine Brown Environmental Construction's and the Detroit Building Authority's compliance with the requirements of Title 40 of the Code of Federal Regulations, Part 61, Subpart M (National Emission Standard for Asbestos), and Rule 942 of Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

According to our investigation, Brown Environmental Construction performed demolition activities under the direction of the Detroit Building Authority. The National Emission Standard for Asbestos holds both operators equally liable for violations.

The above referenced properties had been demolished in the summer of 2015 without submittal of the required notifications to demolish to the DEQ Air Quality Division.

Process Description	Section Violated	Comments
Demolition of several asbestos NESHAP subject residential properties in the City of Detroit.	§61.145(b) (1), DEQ AQD Consent Order No. 25-2013.	Failure to provide notification for demolition activities.

Please initiate actions necessary to correct the cited violation and submit a written response to this Violation Notice by December 3, 2015 (which coincides with 21 calendar days from the date of this letter). The written response should include: the
