Dear Dr. Weinstein:

### SECOND VIOLATION NOTICE

On January 15, 2015, the Department of Environmental Quality (DEQ), Air Quality Division, conducted an inspection of the former Enchanted Garden located at 19338 Livernois Avenue, Detroit. The purpose of this inspection was to determine Braron Holding's and Joy Construction and Leasing's compliance with the requirements of Title 40 of the Code of Federal Regulations, Part 61, Subpart M (National Emission Standard for Asbestos), and Rule 942 of Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

On February 25, 2016, the AQD sent the company a Violation Notice citing violations discovered as a result of the inspection and requested your written response by March 17, 2016. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identifying actions the owner will take or has taken to resolve the cited violations may result in escalated enforcement action by the AQD. Please provide the information requested in our February 25, 2016 letter by April 13, 2016, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

Dr. Bryan Weinstein
