**ENFORCEMENT NOTICE**

In the matter of:

Mr. Peter Adamo  
36641 Moravian Drive  
Clinton Township, Michigan 48035

ID: U821905626; Oakland County

ATTENTION: Mr. Peter Adamo:

This letter is to advise you of the commencement of escalated enforcement action against Peter Adamo for alleged violations that occurred at the former Allied Automotive facility located at 900 West Maple, in the City of Troy, Michigan (ID: U821905626). This letter follows the June 26, 2019 and July 22, 2019 Violation Notices issued by the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), which details violations of the National Emission Standards for Hazardous Air Pollutants for asbestos (Asbestos NESHAP), Title 40 of the Code of Federal Regulations, Part 61, Subpart M; and Rule 942 of the Michigan Air Pollution Control Rules, Mich Admin Code, R 336.1942. These regulations hold all owners and operators, such as contractors and/or subcontractors, fully liable for compliance with the Asbestos NESHAP.

The AQD is providing the Company with an opportunity to formally resolve these violations through the entry of a legally enforceable agreement that will include a compliance program and payment of an appropriate monetary penalty pursuant to Section 5528 of Part 55 of NREPA, MCL 324.5528.

Be advised that failure to respond to this Enforcement Notice in a timely manner and adequately resolve or address the cited violations may result in further enforcement proceedings, including but not limited to, referral of the matter to the Michigan Department of Attorney General (MDAG) for commencement of civil litigation. This Enforcement Notice does not preclude or limit EGLE's ability to initiate any other enforcement action under federal or state law as appropriate.

**ENFORCEMENT NOTICE**
