LANSING

PHILLIP D. ROOS
DIRECTOR

July 31, 2024

Dear Interested Party:

We wanted to let you know about the rescheduled informational session and public hearing for Air Permit to Install (PTI) Application No. APP-2022-0125 for FCA US LLC – Detroit Assembly Complex – Mack located at 4000 Saint Jean Street in Detroit, Michigan.

The application is to modify their current [Permit to Install 14-19A](#) for the existing automotive assembly plant by adding requirements for the continued operation of a second regenerative thermal oxidizer (RTO2) and increasing particulate matter emission limits. Additional information can be found Michigan.gov/EGLEStellantis or Michigan.gov/EGLEAirPublicNotice.

The public comment period opened on June 12 and will end on September 9, 2024. Comments may be given at any time before the end of the comment period. Any comments already submitted on this proposed permit action will be considered in the final decision. You may provide comments on the proposed permit in any of these ways.

E-mail your comment to EGLE-AQD-PTIPublicComments@Michigan.gov

Mail your comment to Michigan Department of the Environment, Great Lakes, and Energy (EGLE), Air Quality Division, Permit Section, P.O. Box 30260, Lansing, Michigan 48909-7760.

Leave us a voicemail comment by calling 517-284-0900.

At the public hearing to be held on **September 5, 2024**.

EGLE will be hosting an in-person meeting and hearing on September 5, 2024, starting at 6:00 p.m. at the Samaritan Center, 5555 Conner Street, Detroit, Michigan. The meeting and hearing will also be broadcast. EGLE staff will provide a summary of the proposed permit and the technical review completed with an opportunity to answer questions from the public. The hearing will begin immediately following, to take official comments on the record. Questions may be submitted ahead of the meeting to me, or to the mailing address or email address listed above. You may pre-register at any time or join at 6:00 p.m. on September 5 at: <https://bit.ly/3LrWP1c>. Call in to listen only at 636-651-3142 and use conference code 374288.

The Air Quality Division will review and consider all comments received during the comment period before making the final decision. A written response and a copy of the decision made about the proposed permit will be provided to you.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in dark ink, appearing to read 'D. Thompson', with a long horizontal flourish extending to the right.
