GOVERNOR

STATE OF MICHIGAN
DEPARTMENT OF
ENVIRONMENT, GREAT LAKES, AND ENERGY
LANSING

PHILLIP D. ROOS
DIRECTOR

June 26, 2024

Dear Interested Party:

We are sending you this information because you may have an interest in air quality related activities associated with the Warren Waste Water Treatment Plant (Warren WWTP). The company has submitted an air permit application (No. APP-2022-0192) for the proposed installation and operation of a new sewage sludge disposal process. The new sewage sludge disposal process is proposed to be located at 32360 Warkop Avenue in Warren, Michigan.

The law requires the Michigan Department of Environment, Great Lakes, and Energy (EGLE) to open some actions for the public to comment on, such as what Warren WWTP is requesting. Public comments are a very important part of making sure the application has been thoroughly reviewed.

Information about the air permit application, such as a summary of the proposed project, the proposed permit conditions, and the fact sheet containing the regulatory analysis of the proposed permit conditions are available to review. This information, as well as what we can consider in our decision, may be found at Michigan.gov/EGLEAirPublicNotice and select "[Applications Open for Comment](#)" or you may contact me for printed copies.

If you decide to comment on this proposed air permit, you may submit comments in a variety of ways by August 20, 2024:

E-mail your comment to EGLE-AQD-PTIPublicComments@Michigan.gov

Mail your comment to Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division, Permit Section, P.O. Box 30260, Lansing, Michigan 48909-7760.

Leave us a voicemail comment by calling 517-284-0900.

At the virtual public hearing to be held on August 8, 2024.

EGLE will be hosting a virtual meeting and hearing on August 8, 2024, starting at 6:00 p.m. EGLE staff will provide a summary of the proposed project and the technical review completed with an opportunity for the public to ask questions. The public hearing will begin immediately following to take official comments on the record.

Questions may be submitted ahead of the meeting to me, or to the mailing address or email address listed above. You may pre-register at any time or join at 6:00 p.m. on August 8 at: <https://bit.ly/3KzHFGT> . Call in to listen only at 636-651-3142 and use conference code 374288.

The Air Quality Division will review and consider all comments received during the comment period before making the final decision. A written response and a copy of the decision made about the proposed permit will be provided to you.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew J. Drury".
