

R 336.1219 Amendments for change of ownership or operational control.

Rule 219. (1) A person shall notify the department, in writing, of a change in ownership or operational control of a stationary source or emission unit authorized by a permit to install or a permit to operate. The notification shall include all of the following information:

(a) A description of the stationary source or emission unit affected by the change and a listing of the permits involved in the request.

(b) An identification of the new owner or operator and a specific date for the transfer of responsibility, coverage, and liability.

(c) A written statement by the new person owning or operating the stationary source or emission unit that the terms and conditions of the permit to install or permit to operate are understood and accepted. Acceptance of the terms and conditions of a permit does not affect the person's ability to subsequently request a modification to the permit to install or permit to operate pursuant to R 336.1201. The new person owning or operating the stationary source shall also notify the department of any change in the contact person regarding the permit.

(2) A change in ownership or operational control of a stationary source or emission unit covered by a renewable operating permit shall be made pursuant to R 336.1216(1).
