In the matter of:

Mueller Brass Company  
2199 Lapeer Avenue  
Port Huron, Michigan 48060

SRN: A6262; St. Clair County

ATTENTION: Mr. Donald Glover, President

This letter is to advise you of the commencement of escalated enforcement action against Mueller Brass Company (Company). This letter follows the April 17, May 15, and June 29, 2018 Violation Notices issued by the Michigan Department of Environmental Quality (MDEQ), Air Quality Division (AQD) which detailed violations of Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994, PA 451, as amended (NREPA), MCL 324.5501 *et seq.*; the administrative rules promulgated thereunder, specifically Rule 901 and Rule 910 of the Michigan Air Pollution Control Rules, Mich Admin Code, R 336.1901 and R 336.1910, and Permit to Install (PTI) No. 180-00C.

In an effort to seek resolution of the cited air quality violations, the AQD is providing the Company with an opportunity to formally resolve these violations through the entry of a legally enforceable agreement that will include a compliance program and payment of an appropriate monetary penalty pursuant to Section 5528 of Part 55 of NREPA, MCL 324.5528.

The AQD is providing the Company with an opportunity to meet to discuss options for satisfactorily resolving the violations, to present information that should be considered regarding the violations and to demonstrate compliance. Please contact me at 517-284-6797, or by email at [rathbunj1@michigan.gov](mailto:rathbunj1@michigan.gov), no later than September 24, 2018, to schedule a meeting to discuss the resolution of this matter.
