CERTIFIED MAIL

ENFORCEMENT NOTICE

In the matter of:

Ford Motor Company, Dearborn Assembly Plant
3001 Miller Road
Dearborn, Michigan 48126

ATTENTION: Mr. Bradford D. Huff

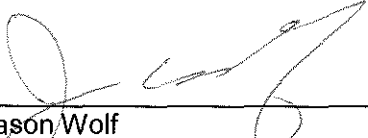

This letter is to advise you of the commencement of escalated enforcement action against Ford Motor Company, Dearborn Assembly Plant (SRN: A8648). This letter follows the October 14, 2016 Violation Notice (VN) issued by the Michigan Department of Environmental Quality (MDEQ), Air Quality Division (AQD) which detailed violations of Mich Admin Code, R 336.1910 (Rule 910) and Renewable Operating Permit (ROP) MI-ROP-A8648-2015.

The AQD is hereby providing you with an opportunity to demonstrate compliance, present factual information in writing that should be considered regarding the violations and meet to discuss options for satisfactorily resolving the violations. This proposed resolution would include, among other things, a compliance schedule and an appropriate monetary penalty. Please contact me at 517-284-6772, or by email at wolfj2@michigan.gov, no later than Monday, December 5, 2016, to schedule a meeting to discuss the resolution of this matter.

Be advised that failure to respond to this Enforcement Notice in a timely manner and adequately resolve or address the cited violations may result in further enforcement proceedings including, but not limited to, referral of the matter to the Department of Attorney General for commencement of civil litigation. Be further advised that this Enforcement Notice does not preclude or limit the MDEQ's ability to initiate any other enforcement action under federal or state law as appropriate.
