Ed,

Thank you for the e-mail and phone call. Jack has been off work for the past 2 weeks so I am working with our consultant to get this out. I will have it completed by the end of next week. If I run into any problems I will contact you.

**Subject:** Semi-annual ROP Report Certifications

Mr. Hill,

I am following up with a voice mail I just left you regarding the VN for failure to submit Grede's Semi-annual ROP Report Certifications by September 15<sup>th</sup> and a conversation you had with Mr. Eric Grinstern.

After being contacted by Mr. Grinstern and further review of the email sent by Mr. Michael Caldwell, on August 31, 2018, Grede's Deviation Reports were discovered in the VN response under Attachment 2.

However, in order to be considered timely the Deviation Reports (as well as any document required to be submitted to the department as a term or condition of the ROP) shall contain an original certification by a Responsible Official. The Report Certification template can be found at this website:

<https://www.michigan.gov/deq/0,4561,7-135-3310-408088--,00.html>

Please resubmit, by mail, Grede's Semiannual Deviation Reports and an original signed Report Certification by October 12, 2018.

If you have any further questions feel free to contact either Mr. Grinstern, Mr. Scanlan or myself.
