DIRECTOR

October 29, 2021

John Lancaster-Plant Manager
General Motors LLC – Saginaw Metal Casting Operations
1629 North Washington
Saginaw, Michigan 48601

SRN: B1991, Saginaw County

Dear Mr. Lancaster:

VIOLATION NOTICE

On October 28, 2021, the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), received stack test results from General Motors LLC – Saginaw Metal Casting Operations (GM SMCO) located at 1629 North Washington Street, Saginaw, Michigan. The purpose of the stack test was to verify compliance with the emission limits specified in Renewable Operating Permit (ROP) number MI-ROP-B1991-2021 for EU-PSANDCASTLINE and EU-PSANDSCCSH. Results of the stack test indicate EU-PSANDSCCSH is in non-compliance with the VOC emission limit specified in the ROP.

The stack test was performed on September 1-2, 2021. Stack test results indicate VOC emissions for EU-PSANDSCCSH were 6.46 pounds per hour (lb/hr) and in excess of the 3.99 lb/hr VOC emissions limit.

Please initiate actions necessary to correct the cited violation and submit a written response to this Violation Notice by November 19, 2021 (which coincides with 21 calendar days from the date of this letter). The written response should include: the dates the violation occurred; an explanation of the causes and duration of the violation; whether the violation is ongoing; a summary of the actions that have been taken and are proposed to be taken to correct the violation and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

Please submit the written response to EGLE, AQD, Bay City District, at 401 Ketchum Street, Bay City, Michigan 48708 and submit a copy to Ms. Jenine Camilleri, Enforcement Unit Supervisor at EGLE, AQD, P.O. Box 30260, Lansing, Michigan 48909-7760.

If GM-SMCO believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

John Lancaster
