In the matter of:

Mr. Michael A. Cenit
AP Sag, LLC
1325 Century Road
Ravenswood, West Virginia 26164

SRN: B1993; Saginaw County

ATTENTION: Mr. Cenit

This letter is to advise you of the commencement of an escalated enforcement action against AP Sag, LLC (Company) for alleged violations that occurred at 2328 East Genesee Avenue, Saginaw, Michigan. This letter follows the October 29, 2019 Violation Notice issued by the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) which details violations of the National Emission Standards for Hazardous Air Pollutants for asbestos (Asbestos NESHAP), Title 40 of the Code of Federal Regulations, Part 61, Subpart M; and Rule 942 of the Michigan Air Pollution Control Rules, Mich Admin Code, R 336.1942. These regulations hold all owners and operators, such as contractors and/or subcontractors, fully liable for compliance with the Asbestos NESHAP.

Additionally, during an inspection conducted on November 21, 2019, continuing alleged violations of the Asbestos NESHAP were observed, including failure to provide a 10 working day notification, failure to have a properly trained contractor supervisor on site, and allowing visible emissions from handling operations.

The AQD is providing the Company with an opportunity to formally resolve these violations through the entry of a legally enforceable agreement that will include a compliance program and payment of an appropriate monetary penalty pursuant to Section 5528 of Part 55 of NREPA, MCL 324.5528.

Be advised that failure to respond to this Enforcement Notice in a timely manner and adequately resolve or address the cited violations may result in further enforcement proceedings, including but not limited to, referral of the matter to the Michigan Department of Attorney General (DAG) for commencement of civil litigation.
