

**DEPARTMENT OF ENVIRONMENTAL QUALITY  
AIR QUALITY DIVISION  
ACTIVITY REPORT: Other**

B419727710

FACILITY: AAR Mobility Systems		SRN / ID: B4197
LOCATION: 201 Haynes St., CADILLAC		DISTRICT: Cadillac
CITY: CADILLAC		COUNTY: WEXFORD
CONTACT: Greg Shay , Environmental Specialist		ACTIVITY DATE: 11/10/2014
STAFF: Caryn Owens	COMPLIANCE STATUS: Compliance	SOURCE CLASS: MAJOR
SUBJECT: Raised the Stack Heights of the Container Line for both the booth stack and oven oven stack on 11/5/14 (for the oven stack) & 11/10/14 (for the booth stack) to resolve the violation that was submitted to AAR on 9/16/14. Photos are attached.		
RESOLVED COMPLAINTS:		

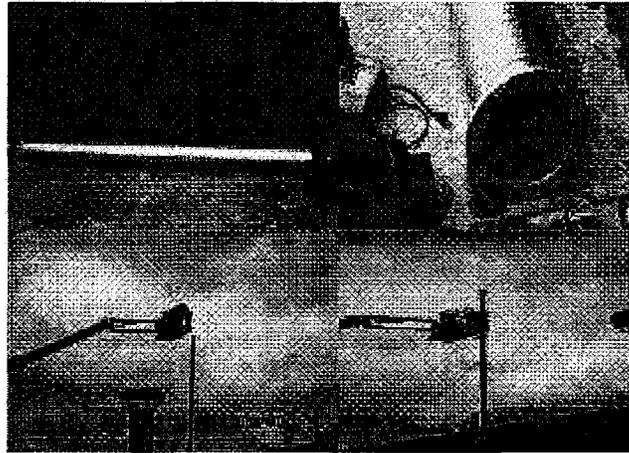

Photos of AAR installing the booth stack and oven stack to required permit heights. The stack heights and diameters are now in compliance with the ROP (MI-ROP-B4167-2011).

**Container line Booth 26" dia. 10' extension to 60'**

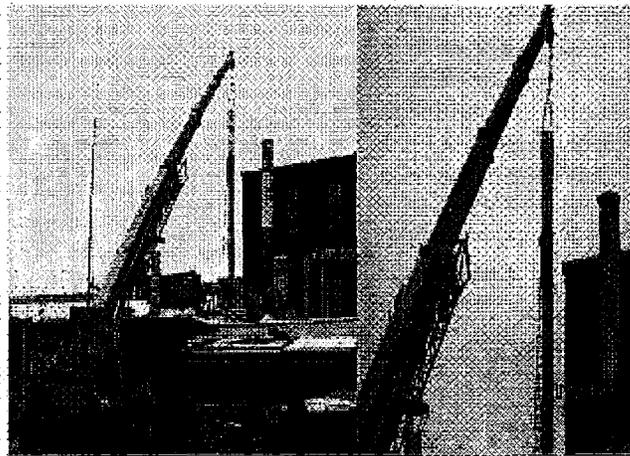

AAR reduced the 26" dia. stack to 24" by installing a 2" reducer ring on the exhaust end of the new 10' stack extension.

**Image 1(Stack Heights)** : Pics of raising stacks.

**Container Booth Oven 8" dia. 10' extension to 60'**  
AAR installing container booth over 10' stack exhaust section.

**Image 2(Stack hgt 2) : Container Booth**

**Container line Booth 26" dia. 10' extension to 60'**  
Completed 11/10/2014.

**Image 3(Stack hgt pic 3) : Raising the stacks at teh facility.**
