List of Partial Compliance Evaluations :

Activity Date	Activity Type	Compliance Status	Comments
12/01/2022	On-site Inspection	Compliance	On site inspection to assess compliance with air quality rules and regulations.
05/13/2022	MAERS	Compliance	The report was submitted on time and appears complete. Some equipment has been removed. Added SCC codes match SCC code removals reported. This appears to be housekeeping attempts for the report that needed editing. This is all acceptable. Facility is using mass balance calculations for many emissions calculations. Supporting documentation is provided. This is acceptable. The audit result is passing.
