SOUTHEAST MICHIGAN DISTRICT OFFICE

C. HEIDI GREETHER
DIRECTOR

October 18, 2018

Mr. James Hammond
Michigan Metal Coatings
2015 Dove Street
Port Huron, Michigan 48060

SRN: N0950, St. Clair County

Dear Mr. Hammond:

VIOLATION NOTICE

On August 20, 2018, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Michigan Metal Coatings located at 2015 Dove Street, Port Huron, Michigan. The purpose of this inspection was to determine Michigan Metal Coatings' compliance with the requirements of the federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the Air Pollution Control Rules; and the conditions of Permit to Install (PTI) number 116-06B and 139-06.

During the inspection, staff observed the following:

Process Description	Rule/Permit Condition Violated	Comments
One 560,000 Btu/hour burn-off oven (EU-BURNOFF)	PTI 139-06, Special Condition VIII.1.	There was a rain-cap on the top of the burn-off oven stack preventing the exhaust gases from the stack from being discharged unobstructed vertically upwards to the ambient air.
One natural gas-fired evaporator used to reduce the volume of collected clean-up water (EUWASTEEVAP)	PTI 116-06B, Special Condition VIII.1.	There was a rain-cap on the top of the waste evaporator stack preventing the exhaust gases from the stack from being discharged unobstructed vertically upwards to the ambient air.
Five dip-spin coating lines (FGCOATERS) and one natural gas fired evaporator (EUWASTEEVAP)	PTI 116-06B, FGCOATERS Special Condition VI.2 and EUWASTEEVAP Special Condition VI.2.	Michigan Metal Coatings did not keep records of the daily and monthly coating usage and VOC emissions for FGCOATERS and EUWASTEEVAP for June 2018 (FGCOATERS) and March - July 2018 (EUWASTEEVAP).

Mr. James Hammond

Please initiate actions necessary to correct the cited violations and submit a written response to this Violation Notice by November 8, 2018 (which coincides with 21 calendar days from the date of this letter). The written response should include: the dates the violations occurred; an explanation of the causes and duration of the violations; whether the violations are ongoing; a summary of the actions that have been taken and are proposed to be taken to correct the violations and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

Please submit the written response to the DEQ, AQD, Southeast Michigan District, at 27700 Donald Court, Warren, Michigan 48092 and submit a copy to Ms. Jenine Camilleri, Enforcement Unit Supervisor at the DEQ, AQD, P.O. Box 30260, Lansing, Michigan 48909-7760.

If Michigan Metal Coatings believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the violations cited above and for the cooperation that was extended to me during my inspection of Michigan Metal Coatings. If you have any questions regarding the violations or the actions necessary to bring this facility into compliance, please contact me at the number listed below.

Sincerely,

Kerry Kelly
Environmental Quality Analyst
Air Quality Division
