Re: South Kent Landfill
N1324/ Kent County - RO Permit No. MI-ROP-N1324-2018a

Dear Ms. Hollenbach:

Enclosed please find a completed copy of Renewable Operating Permit Semi-Annual Report Certification. The South Kent Landfill was in compliance during the first half of 2022.

Between January 1 and June 30, 2022, the South Kent Landfill received 144,882 tons of refuse. This refuse occupied approximately 198,352 cubic meters of airspace. Attached is a waste summary for waste placed in the South Kent Landfill since 1987.

The 2018 Renewable Operation Permit includes two sections; Section 1 for the landfill, and Section 2 for the Gas to Energy plant. The deviation reports for each section will be submitted separately.

If you have any questions, please contact me at molly.sherwood@kentcountymigov or 616-406-8817.

Sincerely,
KENT COUNTY DEPARTMENT OF PUBLIC WORKS

Molly Sherwood
Environmental Compliance Manager
