SUBJECT: Follow up of old PTI #862-91A		
RESOLVED COMPLAINTS:		

On 8/22/2016 I conducted a follow up of PTI #862-91A. This is for a portable concrete batch plant that was permitted to operate at the SE1/4 of the SW 1/4 of Section 3, T40N, R17W.

I was able to look at the Plat book and find this location. There is no longer a portable concrete batch plant here. I called the phone number on the permit application and it has been disconnected. A search online shows this business to be listed as inactive.

A note will be sent to Ms. Sue Thelen in the Permit Section to request to void PTI #862-91A.
