Dear Mr. Chor:

VIOLATION NOTICE

On March 9, 2015, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of your facility located at 500 Robbins Avenue, Troy, Michigan. The purpose of this inspection was to determine your facility's compliance with the requirements of the federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the administrative rules and the conditions of Permit to Install (PTI) number 519-94.

During the inspection, staff observed the following:

Process Description	Rule/Permit Condition Violated	Comments
Electroless Nickel Plating Process	PTI No. 519-94, special condition 21.	No monthly records of Ammonia and Ethylenediamine addition of additives based on a 12 month rolling period.

During this inspection, the facility was unable to produce the above records.

This is a violation of the recordkeeping requirement specified in Special Condition number 21 of PTI number 519-94.

Please initiate actions necessary to correct the cited violation and submit a written response to this Violation Notice by April 2, 2015 (which coincides with 21 calendar days from the date of this letter). The written response should include: the dates the violation occurred; an explanation of the causes and duration of the violation; whether the violation is ongoing; a summary of the actions that have been taken and are proposed to be taken to correct the violation and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

If the facility believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the violation cited above and for the cooperation that was extended to me during my inspection of your facility. If you have any questions regarding the violation, or the actions necessary to bring this facility into compliance, please contact me at the number listed below.

Sincerely,

Remilando Pinga
Senior Environmental Engineer
