AQD No. 28-2015

SRN: N5656

STIPULATION FOR ENTRY OF FINAL ORDER  
BY CONSENT

This proceeding resulted from allegations by the Michigan Department of Environmental Quality (MDEQ) Air Quality Division (AQD) against Nylok, LLC (Company), a Michigan limited liability company located at 15260 Hallmark Court in the City of Macomb, County of Macomb, State of Michigan, with State Registration Number (SRN) N5656. On September 9, 2014, the MDEQ entered into Consent Order No. 44-2014 with the Company. Paragraph 9 of Consent Order No. 44-2014 required the Company to comply with Permit to Install (PTI) No. 133-13 and the applicable requirements of the National Emission Standards for Hazardous Air Pollutants (NESHAP) for Surface Coating of Miscellaneous Metal Parts and Products (40 CFR 63, Subpart M MMM). Paragraph 9.B.1 of Consent Order No. 44-2014 required the Company to submit by December 30, 2014 a Notification of Compliance Status to the U.S. Environmental Protection Agency, Region 5, pursuant to 40 CFR 63, Subpart M MMM. On December 29, 2014, the Company submitted the Notification of Compliance Status and the MDEQ determined that it failed to comply with the hazardous air pollutant (HAP) emission limit for toluene in PTI No. 133-13 and 40 CFR 63, Subpart M MMM. The MDEQ alleges that, beginning in November 2014, the Company has failed to comply with Consent Order No. 44-2014 and 40 CFR 63, Subpart M MMM as cited herein and in the Violation Notice dated January 6, 2015. On May 4, 2015, the MDEQ issued to the Company PTI No. 133-13B and Renewable Operating Permit No. MI-ROP-N5656-2015 (ROP). The ROP includes a Schedule of Compliance, including but not limited to, the installation of control equipment to control toluene emissions. The Company and MDEQ stipulate to the termination of this proceeding by entry of this Stipulation for Entry of a Final Order by Consent (Consent Order No. 28-2015). In the event that there is a conflict in the terms of Consent Order No. 44-2014 and Consent Order No. 28-2015, the terms of Consent Order No. 28-2015 apply.

The Company and MDEQ stipulate as follows:

1. The Natural Resources and Environmental Protection Act, 1994 PA 451 (Act 451), MCL 324.101 *et seq.* is an act that controls pollution to protect the environment and natural resources in this State.
2. Article II, Pollution Control, Part 55 of Act 451 (Part 55), MCL 324.5501 *et seq.* provides for air pollution control regulations in this State.
3. The MDEQ was created as a principal department within the Executive Branch of the State of Michigan pursuant to Executive Order 2011-1 and has all statutory authority, powers, duties, functions and responsibilities to administer and enforce all provisions of Part 55.
4. The Director has delegated authority to the Chief of the AQD (AQD Chief) to enter into this Consent Order.
5. The termination of this matter by a Consent Order pursuant to Section 5528 of Part 55 is proper and acceptable.
6. The Company and the MDEQ agree that the signing of this Consent Order is for settlement purposes only and does not constitute an admission by the Company that the law has been violated.
7. This Consent Order becomes effective on the date of execution (effective date of this Consent Order) by the AQD Chief.
8. The Company shall achieve compliance with the aforementioned regulations in accordance with the requirements contained in this Consent Order.

#### COMPLIANCE PROGRAM AND IMPLEMENTATION SCHEDULE

  2. On and after the effective date of this Consent Order, the Company shall fully comply with MI-ROP-N5656-2015, and any subsequent ROP revisions. The Company must comply with

the Schedule of Compliance in the ROP, including but not limited to, the installation of the control equipment to control toluene emissions. The ROP is an enforceable part of this Consent Order.

#### GENERAL PROVISIONS

10. This Consent Order in no way affects the Company's responsibility to comply with any other applicable state and federal, or local laws or regulations, including without limitation, any amendments to the federal Clean Air Act, 42 USC 7401 *et seq.*, Act 451, Part 55 or their rules and regulations, or to the State Implementation Plan.

11. This Consent Order constitutes a civil settlement and satisfaction as to the resolution of the violations specifically addressed herein; however, it does not resolve any criminal action that may result from these same violations.

12. The Company shall pay to the General Fund of the State of Michigan, in the form of a check made payable to the "State of Michigan" and mailed to the Michigan Department of Environmental Quality, Accounting Services Division, Cashier's Office, P.O. Box 30657, Lansing, Michigan 48909-8157, a settlement amount of \$88,056.00 which includes AQD costs for investigation and enforcement. The total sum of \$88,056.00 shall be made in eight (8) payments as follows: a payment of \$11,007.00 shall be paid within thirty (30) days of the effective date of this Consent Order and seven (7) equal payments of \$11,007.00 shall be paid by the end of each successive calendar quarter thereafter. To ensure proper credit, all payments made pursuant to this Consent Order shall include the "Payment Identification Number AQD40101" on the front of the check and/or in the cover letter with the payment. This settlement amount is in addition to any fees, taxes, or other fines that may be imposed on the Company by law.

13. On and after the effective date of this Consent Order, if the Company fails to comply with the Schedule of Compliance in the ROP, the Company is subject to a stipulated fine of up to \$3,000.00 per violation. Upon completion of the Schedule of Compliance in the ROP, if the Company fails to comply with the emission limits for hazardous air pollutants in PTI No. 133-13B and the ROP, the Company is subject to a stipulated fine of up to \$5,000.00 per violation. Upon completion of the Schedule of Compliance in the ROP, if the Company fails to comply with the emission limits for volatile organic compounds in PTI No. 133-13B and the ROP, the Company is subject to a stipulated fine of up to

\$3,000.00 per violation. On and after the effective date of this Consent Order, if the Company fails to comply with any other provisions of PTI No. 133-13B or the ROP, the Company is subject to a stipulated fine of up to \$500.00 per violation. The amount of the stipulated fines imposed pursuant to this paragraph shall be within the discretion of the MDEQ. Stipulated fines submitted under this Consent Order shall be by check, payable to the State of Michigan within thirty (30) days of written demand and shall be mailed to the Michigan Department of Environmental Quality, Accounting Services Division, Cashier's Office, P.O. Box 30657, Lansing, Michigan 48909-8157. To ensure proper credit, all payments shall include the "Payment Identification Number AQD40101-S" on the front of the check and/or in the cover letter with the payment. Payment of stipulated fines shall not alter or modify in any way the Company's obligation to comply with the terms and conditions of this Consent Order.

14. The AQD, at its discretion, may seek stipulated fines or statutory fines for any violation of this Consent Order which is also a violation of any provision of applicable federal and state law, rule, regulation, permit, or MDEQ administrative order. However, the AQD is precluded from seeking both a stipulated fine under this Consent Order and a statutory fine for the same violation.

15. To ensure timely payment of the settlement amount assessed in paragraph 12 and any stipulated fines assessed pursuant to paragraph 13 of this Consent Order, the Company shall pay an interest penalty to the State of Michigan each time it fails to make a complete or timely payment under this Consent Order. The interest penalty shall be determined at a rate of twelve percent (12%) per year compounded annually, using the full increment of amount due as principal, calculated from the due date specified in this Consent Order until the date that delinquent payment is finally paid in full. Payment of an interest penalty by the Company shall be made to the State of Michigan in accordance with paragraph 13 of this Consent Order. Interest payments shall be applied first towards the most overdue amount or outstanding interest penalty owed by the Company before any remaining balance is applied to subsequent payment amount or interest penalty.

16. The Company agrees not to contest the legal basis for the settlement amount assessed pursuant to paragraph 12. The Company also agrees not to contest the legal basis for any stipulated fines assessed pursuant to paragraph 13 of this Consent Order, but reserves the right to dispute in a court of competent jurisdiction the factual basis upon which a demand by MDEQ of stipulated fines is made. In

addition, the Company agrees that said fines have not been assessed by the MDEQ pursuant to Section 5529 of Part 55 and therefore are not reviewable under Section 5529 of Part 55.

17. This compliance program is not a variance subject to the 12 month limitation specified in Section 5538 of Part 55.

18. This Consent Order shall remain in full force and effect for a period of at least three (3) years. Thereafter, the Consent Order shall terminate only upon written notice of termination issued by the AQD Chief. 19. In the event the Company sells or transfers the facility, with SRN N5656, it shall advise any purchaser or transferee of the existence of this Consent Order in connection with such sale or transfer. Within thirty (30) calendar days, the Company shall also notify the AQD Southeast Michigan Warren District Office District Supervisor, in writing, of such sale or transfer, the identity and address of any purchaser or transferee, and confirm the fact that notice of this Consent Order has been given to the purchaser and/or transferee. As a condition of the sale, the Company must obtain the consent of the purchaser and/or transferee, in writing, to assume all of the obligations of this Consent Order. A copy of that agreement shall be forwarded to the AQD Southeast Michigan Warren District Supervisor within thirty (30) days of assuming the obligations of this Consent Order.

20. Prior to the effective date of this Consent Order and pursuant to the requirements of Sections 5511 and 5528(3) of Part 55, the public was notified of a 30-day public comment period and was provided the opportunity for a public hearing.

21. Section 5530 of Part 55 may serve as a source of authority but not a limitation under which the Consent Order may be enforced. Further, Part 17 of Act 451 and all other applicable laws and any other legal basis or applicable statute may be used to enforce this Consent Order.

22. The Company hereby stipulates that entry of this Consent Order is a result of an action by MDEQ to resolve alleged violations of its facility located at 15260 Hallmark Court, Macomb, Michigan. The Company further stipulates that it will take all lawful actions necessary to fully comply with this Consent Order, even if the Company files for bankruptcy in the future. The Company will not seek discharge of the settlement amount and any stipulated fines imposed hereunder in any future bankruptcy proceedings, and the Company will take necessary steps to ensure that the settlement amount and any future stipulated fines are not discharged. The Company, during and after any future bankruptcy proceedings, will ensure that the settlement amount and any future stipulated fines remain an obligation to be paid in full by the Company to the extent allowed by applicable bankruptcy law.

The undersigned certifies that he/she is fully authorized by the Company to enter into this Consent Order and to execute and legally bind the Company to it.
