Ms. Michelle Luplow  
EGLE, AQD, Lansing District  
Constitution Hall, First Floor South  
525 West Allegan  
Lansing, Michigan 48933

Dear Ms. Luplow:

**SUBJECT: Granger Wood Street Landfill, Violation Notice**

This is in response to your Violation Notice dated October 6, 2022 regarding your inspection at the Granger Wood Street Landfill on August 19, 2022.

The violation notice stated that generator telephone numbers were not included on the following forms for disposal of regulated asbestos:

- Pitsch Forms 4201, 4203, 4204, 4206, 4209 and 4211

The generator on all of these manifests was Sparrow Hospital. Following is the contact information for Sparrow Hospital taken from Granger's database.

Sparrow Hospital  
1215 E. Michigan Avenue  
Lansing, MI 48912  
T. Olsen 810-664-0354

Following is the contact information for Pitsch Companies taken from Granger's database:

Pitsch Companies  
675 Richmond NW  
Grand Rapids, MI 49504  
Steven Pitsch 616-363-4895  
[stevenpitsch@aol.com](mailto:stevenpitsch@aol.com)

The violation notice also stated that transporter telephone numbers were not included on the following forms for disposal of regulated asbestos:

- Granger Forms 104259 and 104262 and "Alma College Waste Shipment Record" dated August 10, 2022.

Following is the contact information for ALAM, LLC, the transporter for Granger Forms 104259 and 104262 found in Granger's database:

ALAM, LLC  
2505 Precision St.  
Jackson, MI 49202  
Scott Hiller 517-788-8348 (Office), 517-960-1928 (Cell)

The Alma College Waste Shipment was hauled by Granger. Granger's phone number is 517-372-2800.

By November 15, 2022, Granger will train its gatehouse and sales personnel to ensure that manifests include all required information. Specifically, asbestos loads cannot be accepted if manifests are incomplete.

Please contact me at 517-614-3655 or [sblayer@grangernet.com](mailto:sblayer@grangernet.com) if you have any questions regarding Granger's response to the violation notice.

Sincerely,

Stephen R. Blayer  
Environmental Engineer
