Dear Mr. Moline:

VIOLATION NOTICE

On November 21, 2013, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), received a faxed relocation notice for Stoneco Portable 76 Plant (Facility), to be relocated to Michigan Paving & Materials, 46046 Red Arrow Highway, Paw Paw, Michigan, on November 19, 2013. The relocation notice did not include a proposed site plan showing the location of the plant with respect to neighboring residential and commercial establishments. This is a violation of the following:

Process Description	Rule/Permit Condition Violated	Comments
Portable non-metallic mineral crushing plant	Current General Permit to Install Condition No. 1.13b	The General Permit to Install requires 20 days advance notice of relocation. The relocation notice was received two days after the plant was to be relocated. It also requires that a proposed site plan be included showing all residential and commercial establishments, and places of public assembly within 1000 feet of the proposed site be clearly identified on the plan.

Please initiate actions necessary to correct the cited violation and submit a written response to this Violation Notice by December 26, 2013. The written response should include: the dates the violation occurred; an explanation of the causes and duration of the violation; whether the violation is ongoing; a summary of the actions that have been taken and are proposed to be taken to correct the violation and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.
