Dear Mr. Beckering:

**SECOND VIOLATION NOTICE**

On October 14, 2019, the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), conducted an inspection of Craftwood Industries (Company) located at 2530 Kamar Drive, Holland, Michigan. The purpose of the inspection was to determine the Company's compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended; the Air Pollution Control Rules; and the conditions of General Permit to Install (PTI) Number 187-02.

On November 1, 2019, the AQD sent a Violation Notice (VN) citing violations of PTI No. 187-02, special conditions VI.3 d – e for FG-COATING and special condition VI.1 for FG-SOURCE for failure to maintain proper emissions records. A copy of this VN has been enclosed for your reference.

Please be advised that failure to respond in writing and identify actions the Company will take or has taken to resolve the cited violation may result in an escalated enforcement action by the AQD. Please provide the information requested in the VN dated November 1, 2019 by December 27, 2019, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit EGLE's ability to initiate any other enforcement action under state or federal law as appropriate.
