ENFORCEMENT NOTICE

In the matter of:

Ventra Fowlerville, LLC
8887 West Grand River
Fowlerville, Michigan 48836

SRN: N7413; Livingston County

ATTENTION: Mr. Mark Griswold, General Manager

This letter is to advise you of the commencement of escalated enforcement action against Ventra Fowlerville, LLC, (Company). This letter follows the March 21, 2019 Violation Notice (VN) issued by the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) which detailed violations of National Emission Standards for Hazardous Air Pollutants for Surface Coating of Plastic Parts and Products, Title 40 of the Code of Federal Regulations (CFR 40) Part 63, Subpart PPPP and MI-ROP-N7413-2014a.

The cited violations against the Company are federally enforceable and are considered a High Priority Violation (HPV) by the United States Environmental Protection Agency (USEPA). The HPV designation means that the USEPA places a priority on enforcing the regulations governing this violation and on formally resolving alleged violations of this type. The AQD is required to report all HPVs to the USEPA, pursuant to the state's grant commitments with the USEPA and the state's delegated enforcement authority of the federal Clean Air Act.

The AQD is providing the Company with an opportunity to formally resolve these violations through the entry of a legally enforceable agreement that will include a compliance program and payment of an appropriate monetary penalty pursuant to Section 5528 of Part 55 of the Natural Resources and Environmental Protection Act (NREPA), MCL 324.5528.

Be advised that failure to respond to this Enforcement Notice in a timely manner and adequately resolve or address the cited violations may result in further enforcement proceedings, including but not limited to, referral of the matter to the Michigan Department of Attorney General (MDAG) for commencement of civil litigation. This Enforcement Notice does not preclude or limit EGLE's ability to initiate any other enforcement action under federal or state law as appropriate.

Please contact me at 517-284-6772, or by email at wolfj2@michigan.gov, no later than Monday, May 6, 2019, to schedule a meeting to discuss the resolution of this matter.
