Kalamazoo, Michigan 49008

SRN: N7418; Kalamazoo County

Dear Darryl Phillips:

SECOND VIOLATION NOTICE

In January 2023, the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), notified Richard-Allan Scientific of the requirement to submit a 2022 Air Pollution Report, with the required submittal date of March 15, 2023. In response to the non-submittal of this report, a second letter was sent on March 30, 2023, requesting the immediate submittal of the Michigan Air Emissions System (MAERS) forms required pursuant to Rule 202 of the administrative rules promulgated under Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

On May 12, 2023, the AQD sent a Violation Notice (VN) citing a violation of Rule 202 and requested Richard-Allan Scientific complete the MAERS submittal by May 26, 2023. A copy of this VN has been enclosed for your reference.

Please be advised that failure to submit the requested report may result in an escalated enforcement action by the AQD. Please provide the information requested in the VN dated May 12, 2023, by June 20, 2023, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this VN does not preclude or limit EGLE's ability to initiate any other enforcement action under state or federal law as appropriate.

Richard-Allan Scientific
