List of Partial Compliance Evaluations :

Activity Date	Activity Type	Compliance Status	Comments
05/03/2023	MAERS	Compliance	Facility is using calculation for emissions factors. This is acceptable. Report was submitted on time and appears complete. Audit result is passing.
04/04/2023	On-site Inspection	Compliance	On-site inspection to investigate odor complaints and assess compliance with air quality rules and regulations.
05/10/2022	MAERS	Compliance	Some changes to stacks are noted but appear to match permit modifications. Facility is using own calculations for emissions data. Documentation is provided. Submitted data appears accurate. Increased VOC emissions match increased throughput. This appears accurate as permit modification include no equipment to increase production. Report was submitted on time and complete. Audit result is passing.
