SRN: N8035; Clinton County

ATTENTION: Ms. Nicole Noll-Williams,

This letter is to advise you of the commencement of escalated enforcement action against Capital Region Airport Authority (CRAA). This letter follows the October 21, 2021, Violation Notice issued by the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) which detailed violations of Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994, PA 451, as amended (NREPA), MCL 324.5501 *et seq.*; the administrative rules promulgated thereunder, specifically Rule 974 of the Michigan Air Pollution Control Rules, Mich Admin Code, R 336.1974; and Permit to Install No. 118-08.

The AQD is providing CRAA with an opportunity to formally resolve these violations through the entry of a legally enforceable agreement that will include a compliance program and payment of an appropriate monetary penalty pursuant to Section 5528 of Part 55 of NREPA, MCL 324.5528.

Be advised that failure to respond to this Enforcement Notice in a timely manner and adequately resolve or address the cited violations may result in further enforcement proceedings, including but not limited to, referral of the matter to the Michigan Department of Attorney General (MDAG) for commencement of civil litigation. This Enforcement Notice does not preclude or limit EGLE's ability to initiate any other enforcement action under federal or state law as appropriate.
