Dear Mr. Cross:

VIOLATION NOTICE

On July 21, 2017, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted a complaint investigation of Cross Excavating and Demolition (Facility), located at 52071 M-51 North, Dowagiac, Michigan. The purpose of this inspection was to investigate a recent complaint that the DEQ, AQD, received on July 21, 2017, regarding fugitive dust attributed to the Facility's operations.

During the complaint investigation, staff of the AQD observed the following:

Process Description	Rule/Permit Condition Violated	Comments
FGCRUSHING	Special Condition 1.12 of Permit to Install (PTI) No. 31-10	Facility is operating a second crusher without submitting new process information to the DEQ.
FGCRUSHING	Special Condition 1.13.c of PTI No. 31-10	Crusher is not located a minimum of 500 feet from residential or commercial establishment.

Please initiate actions necessary to correct the cited violations and submit a written response to this Violation Notice by August 17, 2017 (which coincides with 21 calendar days from the date of this letter). The written response should include: the dates the violations occurred; an explanation of the causes and duration of the violations; whether the violations are ongoing; a summary of the actions that have been taken and are proposed to be taken to correct the violations and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

If the Facility believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Mr. Russell Cross
