Dear Mr. Klett:

**VIOLATION NOTICE**

On September 15, and September 22, 2015, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), received relocation notices for Revolution Onsite Crushing (Facility). The notice received on September 15, 2015, indicated the Facility would be at a new location (Knuth Excavating) starting on September 15, 2015. The notice received on September 22, 2015, indicated the Facility would be at a new location (Arnt Asphalt) starting on September 28, 2015.

These relocation notices were submitted late. Special Condition 1.13.c of Permit to Install (PTI) No. 192-12 issued to the Facility, and Paragraph 9.b of Consent Order No. 39-2014 that the Facility entered into with the AQD requires that relocation notices be submitted at least 10 days prior to the scheduled relocation.

Process Description	Rule/Permit Condition Violated	Comments
FGCrushing	Special Condition 1.13.c of PTI No. 192-92, and Paragraph 9.b of Consent Order No. 39-2014.	The Facility has been submitting late relocation notices.

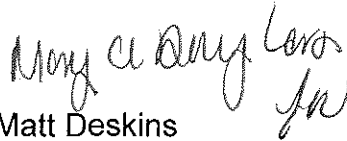

Please initiate actions necessary to correct the cited violation and submit a written response to this Violation Notice by October 23, 2015. The written response should include: the dates the violation occurred; an explanation of the causes and duration of the violation; whether the violation is ongoing; a summary of the actions that have been taken and are proposed to be taken to correct the violation and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

If the Facility believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.
