AQD No. 3-2017

SRN: P0429

STIPULATION FOR ENTRY OF FINAL ORDER  
BY CONSENT

This proceeding resulted from allegations by the Michigan Department of Environmental Quality (MDEQ) Air Quality Division (AQD) against Norplas Industries, Inc., DexSys Division (Company), a Delaware corporation doing business at 5589 West Mount Hope Highway in the City of Lansing, County of Eaton, State of Michigan, with State Registration Number (SRN) P0429. The MDEQ alleges that the Company is in violation of 40 CFR Part 63, Subpart PPPP and Permit to Install (PTI) 38-13D. Specifically, the MDEQ alleges that the Company failed to monitor and maintain records to demonstrate compliance with the required pressure drop for the coating operation, identified as FG-MACT-PPPP in PTI 38-13D, from November 3, 2014 through April 2016. Without the required compliance records, continuous compliance with the emission limit for pounds of organic hazardous air pollutants (HAP) per pound of coating solids cannot be demonstrated. Additionally, records the Company kept after April 2016 indicated the required pressure drop was not being met. These alleged violations are cited in Violation Notices dated July 26, 2016, and October 4, 2016. The Company and MDEQ stipulate to the termination of this proceeding by entry of this Stipulation for Entry of a Final Order by Consent (Consent Order).

The Company and MDEQ stipulate as follows:

1. The Natural Resources and Environmental Protection Act, 1994 PA 451 (Act 451), MCL 324.101 *et seq.* is an act that controls pollution to protect the environment and natural resources in this State.
2. Article II, Pollution Control, Part 55 of Act 451 (Part 55), MCL 324.5501 *et seq.* provides for air pollution control regulations in this State.

3. The MDEQ was created as a principal department within the Executive Branch of the State of Michigan pursuant to Executive Order 2011-1 and has all statutory authority, powers, duties, functions and responsibilities to administer and enforce all provisions of Part 55.

4. The Director has delegated authority to the Chief of the AQD (AQD Chief) to enter into this Consent Order.

5. The termination of this matter by a Consent Order pursuant to Section 5528 of Part 55 is proper and acceptable.

6. The Company and the MDEQ agree that the signing of this Consent Order is for settlement purposes only and does not constitute an admission by the Company that the law has been violated.

7. This Consent Order becomes effective on the date of execution (effective date of this Consent Order) by the AQD Chief.

8. The Company shall achieve compliance with the aforementioned regulations in accordance with the requirements and subject to the limitations contained in this Consent Order.
