Re: **Municipal Supply Company of Portland – Alleged Violation of Rule 901(b)**

Dear Mr. Grinstern:

This will acknowledge receipt of your letter of April 18, 2014 in which you advise that our earlier response to the alleged Rule 901(b) violation was not acceptable. While you may disagree with the position of Municipal Supply Company concerning the alleged Rule 901(b) violation, in order to satisfy your insistence that we conform to the Notice of Violation procedures, I hereby incorporate by reference as though set forth in full, our response of March 12, 2014 on behalf of Municipal Supply company, to the alleged Rule 301(b) violation. Our March 12, 2014 response, I believe, contains the necessary information concerning the continuing operations at the Municipal Supply Company of Portland, Michigan you seek.

We, however, renew our position relative to the alleged Rule 901(b) violation as stated in my March 25, 2014 email. If you have any questions, please do not hesitate to contact me at your earliest convenience.

Very truly yours,

KOTZ SANGSTER WYSOCKI P.C.
