Dear Ryan O'Keefe:

SECOND VIOLATION NOTICE

On July 21, 2022, the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), conducted an inspection of Tribar's Plants 1 and 5, located at 30517 Andersen Court and 48668 Alpha Drive, Wixom, Michigan, correspondingly. The purpose of the inspections was to determine Tribar Plants 1 and 5 compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended; the Air Pollution Control Rules; and the conditions of Permit to Install (PTI) numbers 121-16 and 274-98A.

On August 9, 2022, the AQD sent Tribar's Plants 1 and 5 Violation Notices and requested your written response by August 30, 2022. A copy of those letters is enclosed for your reference. Also, AQD requested in an email dated Aug 17, 2022 that the company submit additional records for Plant 1 by August 27, 2022. As of this date, we have not received your response.

Please be advised, without the additional records to demonstrate compliance of PTI 274-98A, AQD may cite additional violations of state and federal air quality rules and regulations.

Please provide the information requested in our August 9, 2022, letter by **September 15, 2022**, which corresponds to 14 days from the date of this letter.

Please submit the written response to EGLE, AQD, Warren District, at 27700 Donald Court, Warren, Michigan 48092 and submit a copy to Jenine Camilleri, Enforcement Unit Supervisor at EGLE, AQD, P.O. Box 30260, Lansing, Michigan 48909-7760.

Be further advised that issuance of this Violation Notice does not preclude or limit EGLE's ability to initiate any other enforcement action under state or federal law as appropriate.
