Dear Erik Pietrzak:

**SECOND VIOLATION NOTICE**

On July 21, 2022, the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), conducted an inspection of Tribar Technologies, Plant 5 located at 48668 Alpha Drive, Wixom, Michigan. The purpose of the inspection was to determine Tribar's, Plant 5 compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended; the Air Pollution Control Rules; and the conditions of Permit to Install (PTI) number 121-16.

On February 8, 2023, the AQD sent Tribar, Plant 5 a Violation Notice citing violations discovered as a result of the inspection and requested your written response by March 1, 2023. A copy of that letter is enclosed for your reference. On March 1, 2023, a response was received by AQD; however, it was found to be insufficient. In a follow up e-mail on March 2, 2023, AQD Supervisor Joyce Zhu asked Erik Pietrzak for further information about the letter response. This was also stated in an e-mail to Scott Venman of Barr (with a cc to Wayne Ferris) on March 16, 2023. A response date of April 1, 2023 was given. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identifying actions Tribar, Plant 5 will take or has taken to resolve the cited violations may result in further escalated enforcement action by the AQD. Please provide the information requested in our February 8, 2023 letter and March 16, 2023 e-mail, by April 18, 2023, which corresponds to 14 days from the date of this letter.

Please submit the written response to EGLE, AQD, Warren District, at 27700 Donald Court, Warren, Michigan 48092 and submit a copy to Jenine Camilleri, Enforcement Unit Supervisor at EGLE, AQD, P.O. Box 30260, Lansing, Michigan 48909-7760.
