Subject: violation correction, SRN: P1020 Macomb County

To Whom it May Concern:

On 9-29-21 I received a violation notice for not having all equipment labeled at our crushing site. The violation occurred on 8-9-21. The cause of the violation was failure to label all equipment properly and/or the wearing of existing labels. The duration has been ongoing. On 9-2-21, all pieces were inspected and labeled accordingly, correcting the violation. Going forward, the equipment will be inspected weekly to insure labels can be read.
