Dear Ms. Camilleri:

I am in receipt of the above-referenced Notice, and have been in communication with inspector Todd Zynda. Penske has drafted the Permit to Install (PTI) application and is currently working with the ammonia equipment contractor to finalize the PTI. We anticipate having the PTI finalized and submitted by February 13, 2020, and respectfully request a 30-day extension to return to compliance.

Should you have any questions, please contact me at 610-775-6123.

Thank you,
